

Branch Of PADMA GUEST HOUSE - Since 1947
Padma
Proudly Traditional

Dear Patron

Welcome to **Padma Guest House**

The house of authentic Kolhapuri food!

Great food has a story to tell, so do we. Our story began seventy one years ago during India's Independence, on 15th August 1947. My father, late Col. Nanasaheb Dattajirao Ingle celebrated India's independence by opening an eatery offering authentic wholesome food in Kolhapur. He named it Padma Guest House in honour of Princess Padmaraje, daughter of Chhatrapati Rajaram Maharaj of Kolhapur. Right at the beginning let me clarify that, **Authentic Kolhapuri food, is not spicy by nature, it is a blend of various spices culminating into an authentic Kolhapuri flavor!**

The story unfolds... Padma Guest House is today, the oldest restaurant in Kolhapur. Its old world charm is very much remnant with the original hardwood teak furniture which is still intact and in use today. The quintessential ambiance of a wayside inn that is still familiar to our patrons who keep re-visiting us. The restaurant was then, one of the select few places to which you could safely take your family to dine-in and this holds good today. The quality of our authentic Kolhapuri cuisine and the tagline "Proudly Traditional" remains" unchanged as well as the way we cook our food, has remained unchanged for the last seventy years. Our pioneered non-vegetarian thali comprising of the famous Kolhapuri Tambda & Pandhra Rassa has been our signature fare on the menu since inception. A few long-forgotten signature heritage recipes handed on from generation to generation, have found their way back onto the menu due to our diligent efforts in ensuring continuity. This is illustrated by the fact that a forty year old family recipe book was discovered hidden away in one of our closets which we have now used to increase our traditional offerings. Our delicious mutton lonche and vegetable vindaloo are hot favorites with out-of-towners who order take-home parcels in bulk for friends and family.

"It is a seventy year old tradition and promise to our customers that our food does not contain any chemical additives to enhance taste in any way, shape or form as this ruins the unique taste that lies in the traditional recipes and style of cooking".

We run an exceptionally clean and hygienic establishment where billing is at 100% of the bill value. Unlike the current trend in Thali system establishments, we only use commercial gas, electricity & water, pay house tax and other applicable taxes. Our employees get a Provident Fund, gratuity, annual bonus and other incentives along with the tips that you generously provide to them. Thus our staff is loyal and they have been with us for over twenty five years. The story continues... The legacy of Padma Guest House is now in the safe hands of the 4th generation of Ingles of Kolhapur - a trusted name in the hospitality and entertainment business. Our other business interests include -

1. PADMA TALKIES : Since 1947 – A single screen theatre in India to have celebrated its 77th year of profitable business and is currently under the stewardship of a woman entrepreneur, Mrs Gauri Raturaj Ingle.

2. HOTEL PADMA : Contemporary Eating Place in Kolhapur - The resounding success of Padma Guest House - the Ingle family flagship venture, prompted Raturaj Ingle to open a larger branch (with ample parking space) by the name of Hotel Padma in the upscale Tarabai Park area of the city, on 15th August 2001. Outdoor catering for events is also available on demand.

3. DHAIRYAPRASAD : Take back more than memories – A first of its kind and an immensely popular venue for upscale weddings and parties. Built in 1999, it can cater to 2000 guests at a time.

4. EKANT : Where solitude finds many expressions! - a beautiful serene jungle retreat which is situated 50 kms away from the hustle and bustle of Kolhapur city. Newly fashioned in 2014 the hide-away can accommodate 30 guests and their pets at a time in charming verdant surroundings with modern amenities, at modest prices.

5. EPICURE : We undertake catering for a wide array of Vegetarian & Non-vegetarian dishes. Savour the flavour of signature cuisine from the royal houses of Gwalior, Tanjore, Baroda, Rajasthan and of course the tried & tested recipes of the old families of Kolhapur. Catch the authentic taste of Indian, Chinese, Thai, Continental, French & Italian Cuisine. We can create a special ambiance and decorations to match your elegant entertaining at Dhairyaprasad or at venues of your choice. Come become a part of an unmatched gastronomic experience at affordable pricing. We accept party orders for 25 pax & above.

Like all good stories this story does not merely end herewith a 'happily ever after'. As is tradition, our fourth generation will continue serving our patrons, traditional Kolhapuri fare, with the same love and attention, bespoke services that have been the hallmark of the Ingle family for the last seventy years. And, we are just getting started...

We thank you for your time to go through PADMA'S history and we hope you keep revisiting us, so that together we continue making history. Have a great experience!

Yours truly,

Dhairyasheelrao N. Ingle
& Team Padma.
